

Acceptable Use Policy

BurnerTech Acceptable Use Policy

Welcome to BurnerTech! This Acceptable Use Policy outlines the terms and conditions for using our website (www.burnertech.co.uk) and its mobile version (collectively referred to as "our site"). By accessing and using our site, you agree to abide by this policy, which supplements our Terms of Use.

1. Permitted Usage

Our site is provided for lawful purposes only. You must not:

- Violate any applicable local, national, or international laws or regulations.
- Engage in fraudulent or unlawful activities, or use our site for such purposes.
- Attempt to harm minors in any way.
- Upload, download, transmit, or reuse any content that violates our Content Standards.
- Send unsolicited or unauthorized advertising, spam, or promotional material.
- Transmit data or material containing harmful computer code, such as viruses or malware.

2. Interactive Services

From time to time, BurnerTech may offer interactive services, including live chat (referred to as "interactive services"). Clear information about the nature of these services and the type of moderation used, if any, will be provided.

While we strive to assess risks to users, especially minors, from third-party use of interactive services, BurnerTech is not obligated to oversee or moderate these services. We are not liable for losses or damages arising from the misuse of interactive services.

Minors may use interactive services with parental or guardian consent. It's important for parents to discuss online safety with their children, as moderation is not foolproof.

3. Content Guidelines

These content guidelines apply to any contributions you make to our site and interactive services:

- Contributions should provide accurate information (facts) and reflect genuinely held opinions.
- Contributions must comply with UK and international laws.
- Contributions must not be defamatory, offensive, obscene, or discriminatory.
- Contributions must not promote explicit content, violence, or illegal activities.
- Contributions must not infringe copyrights, trademarks, or intellectual property rights.
- Contributions must not deceive, harass, or invade others' privacy.
- Contributions must not impersonate individuals or misrepresent identities.
- Contributions must not advocate unlawful acts.

By submitting materials, you grant BurnerTech an unrestricted, non-exclusive, irrevocable, royalty-free license to use, reproduce, modify, transmit, and distribute the materials. However, unless explicitly stated, we won't publish your name with submitted materials.

4. Enforcement and Termination

BurnerTech reserves the right to determine breaches of this policy and take appropriate actions, including:

- Temporarily or permanently revoking site access.
- Removing posted content.
- Issuing warnings.
- Pursuing legal actions.

We are not liable for actions taken in response to policy breaches.

Changes to the Acceptable Use Policy

This policy may be revised at any time, and updates are legally binding. Please check the policy periodically for changes.

For any feedback or issues related to product selection, pricing, ordering, or delivery, please contact us directly rather than using product reviews.

Thank you for adhering to our Acceptable Use Policy. We hope you have a positive experience on BurnerTech!
