Cookie Usage Terms and Conditions

Introduction

Welcome to Burnertech Ltd's ("Burnertech") website. By using our website, you agree to comply with and be bound by the following terms and conditions related to the use of cookies. Please read these terms carefully before using our website. If you disagree with any part of these terms, please do not use our website.

Cookies and Their Usage

1. Our website uses cookies and similar technologies to enhance your browsing experience and improve the functionality of the site.
2. Cookies are small text files that are placed on your computer or mobile device when you visit a website. They help us recognize you as a user, analyze site traffic, and offer personalized features.

Types of Cookies

1. **Essential Cookies:** These cookies are necessary for the website to function properly. They enable basic features such as page navigation and secure areas of the website.
2. **Analytics Cookies:** We use these cookies to gather information about website usage, including the number of visitors, pages visited, and sources of traffic. This data helps us improve our website's performance and content.
3. **Functional Cookies:** These cookies allow us to remember your preferences and provide enhanced features. For example, they may remember your language settings or user preferences.
4. **Advertising Cookies:** We may use these cookies to display targeted advertisements based on your interests. They also help measure the effectiveness of advertising campaigns.

Managing Cookies

1. You can manage your cookie preferences by adjusting your browser settings. Most web browsers allow you to control cookies through their settings. However, please note that disabling certain cookies may impact your experience on our website.
2. You can also use third-party tools to manage cookies and opt-out of certain types of tracking. For more information about managing cookies, you can refer to [example link to external resource].

Third-Party Cookies

1. Some cookies on our website are placed by third-party service providers. These providers may use cookies for their own purposes, such as tracking your online activity across different websites. We do not control these cookies, and their use is governed by the privacy policies of the third parties.
